

Dear Miss Weston,

I have at length finished  
I made up the accounts of  
the Bazaar. The balance  
paid to Mr. Philbrick was  
\$1738, 30 - most of which,  
together with \$320. from Worcester,  
has been paid over to F. Jackson.

Our expenses at Assembly  
Hall were upwards of \$280.  
more than at Faneuil Hall  
the year previous. Add to  
this the \$400. difference in the  
receipts, ~~accounts~~ and you have  
the difference (nearly \$700.) between  
the amt. paid to Mr. Philbrick

last year and this. — When  
you feel able and inclined  
to think of Fair again, we  
should be glad of some hints  
from you where Fair can be  
held this <sup>Spring &</sup> Summer.

I send you a Statement  
of the Receipts & Expenses of  
the Bazaar, together with  
all the Bills. These I hope  
you will keep, as such  
payments are sometimes called  
for a second time. — I  
also send last year's Acct,  
and Bills — with some other  
papers, which most

properly belong with you.

We shall probably have  
the Annual Report, and be  
ready to make up the Box,  
by a week from next Tuesday,  
i.e. the 24<sup>th</sup> inst.

Very truly Yours

Saml. May Jr
